# THE SMALL PRINT

## **Provisional bookings**

A provisional booking will be held for up to 4 weeks; once the booking has been confirmed a deposit will be required of £10 per person. The remainder of the fee will need to be paid 4 weeks prior to the wedding date.

## **Cancellations**

Any cancellation must be made in writing to the management at Carmarthen Golf Club, whether it be by e-mail or a letter (see contract details).

## **Confirmation of numbers and arrangements**

A month prior to your wedding date, confirmation of the total guest numbers for both day and evening must be given to us. Any alterations to the guest numbers or additions to the banquet will be charged in full.

We need confirmation of table plans, arrival times and arrangements at the latest seven days prior to the wedding day. There is a unique opportunity at Carmarthen Golf Club for the bride and groom to be escorted via a golf buggy to be photographed at one of our beautiful scenic locations on the course. Confirmation of this option must be 14 days in advance, so that we can ensure that all measures have been carried out and that the course is clear for photography, creating the perfect moment for yourselves and your guests.

## **Damage and loss**

We aim to take care of yourselves and your guests as much as we possibly can, however we cannot be held responsible for any loss or damage to any personal belongings. Any loss or damage occurring to Carmarthen Golf Club's premises will be your liability.

## **Corkage**

We do not allow any wines and spirits to be brought onto the premises for consumption. However, we can order a selection of wines which are not on our wine list to suit your needs.

## **Door Supervisors**

Due to new licensing regulations door supervisors are essential for the evening party. This can be arranged with the staff at the club, at an additional charge.

## **Prices**

We will provide you with a simple pricing structure, usually with NO ADDITIONAL HIRE CHARGE FOR THE VENUE!

Prices quoted will be on a per head or per item basis inclusive of VAT, so there will be no last minute surprises though we reserve the right to adjust prices which are unforeseen and beyond our control. However we will endeavour to inform you of any changes as soon as they become apparent.

## **Confetti**

The throwing of confetti as a part of your wedding celebrations is only allowed at a location and time previously agreed with us and your photographer. No paper confetti, rose petals or rice will be allowed to be thrown on or near to grassed areas of the golf course.

## **The Course and Facilities**

We are of course a golf club and a great deal of time and expense is afforded to our putting greens, bunkers and fairways. We therefore request that you and your guests respect our club's rule that no-one is to use the golfing areas and facilities unless given express permission by a member of staff.
